## **A Hassle-Free Source for all your Logoed Gear!**

The need for contemporary wearables bearing your corporate logo is ongoing. Customers, employees, sales reps and others all have distinct uses for these items. You've built an extensive network of business associates most of whom would love to wear your logoed gear!

Many organizations just like yours have turned to Online Stores to effectively meet the diverse demand for their corporate wearables. And many have spent thousands on software or web designer fees to make it happen.

By "partnering" with *SCP Corporate* you'll enjoy the benefits of a cutting-edge ecommerce store without the expense of building it yourself. Best of all, your Online Store is seamlessly linked to your existing website for ease of use.

***Make the online shopping experience part of your website's functionality - your network of business associates will be so glad you did!***

### **SCP Corporate and You!**

After investing thousands into your corporate website are you ready to spend even more to create an equally impressive online shopping feature? We didn't think so. That's why we're offering a **FREE Online Store** linked to your website when you partner with *SCP Corporate* to meet your logo wear needs.

#### ***A No-Expense Solution:***

*SCP Corporate* has been providing custom embroidered and silk-screened wearables to the corporate world for over fifty years. Our quality products and attention to detail have allowed us to enjoy an established niche within the decorated apparel industry. We want to work for you, too. What better way for us to start the relationship than by absorbing the up-front expense of setting up your Online Store and then maintaining it throughout our partnership?

### **Say "Good-Bye" to...**

- Paying set-up charge after set-up charge
- Issuing purchase orders and coordinating payments
- Wondering about garment quality and workmanship
- Coordinating artwork and digitizing fees
- Stressing over delivery times
- Dealing with excess or outdated inventory
- Trying to anticipate future demand for logo wear

**Your Online Store removes all these hassles and more. There truly is no better time than now to let *SCP Corporate Wear* bring the world of online shopping to your website's doorstep.**

**Its FREE and easy to do!**

**Setting up your Online Store is done in three easy steps...**

### **1. Choose your design**

Simply pick from one of our design templates shown here. We'll incorporate your company logo into the design and also place any introductory copy near the top of the page.

### **2. Choose your products**

For quick set-up choose the "Top Sellers" package of our most popular selling items. If you prefer to customize your store items, visit our Online Catalog and choose from thousands of high-quality wearables and accessories.

OR

### **3. Submit your request**

Once you've chosen your design and product line simply visit us at [www.spcorporate.com](http://www.spcorporate.com) to submit your request online. You will receive a cost sheet itemizing your cost (including volume discounts) for each item you've selected.

### **The Rest is Easy!**

Your PRODUCT COST SHEET, complete with volume discounts, will arrive via email within 48 hours. Add a % mark-up to generate profits or raise charitable funds or simply pass costs directly on to your shoppers with no mark-ups. Upon receipt of your pricing instructions our Design Team will have everything needed to complete construction of your Online Store!

**Our Support Center is dedicated to exceeding the expectations of customers and realizing its vision of being a premier provider of customer service. Our Center is staffed with highly skilled Customer Service Representatives who will readily respond to all your inquiries.**

Please do not hesitate to contact us with any questions, comments or concerns.
